RUN/WALK

Sunday, April 23, 2023

The **Westvale Road Runners Club** presents the **10th annual PWP-5K Run/Walk**, to be held at Cherry Road School on Sunday, April 23, 2023.

To date, our committee has been able to give back \$85,000 to several charities in our community, as well as Westhill families in need. We will be offering a full capacity in-person race along with a virtual option this year.

With your help, PWP can do even more good in 2023!

Participants can expect the same great 5k course and our 1-Mile Color Run route with a fun new dynamic for runners. This year, for our tenth anniversary we are celebrating by switching our 1 mile color run to a bubble run!

PWP is grounded in the Westhill community and as such we will continue to give back to it. Our disbursements this year will again help students, teachers, and families in need in the district and will include the Westhill Educational Foundation, which funds grants to teachers and staff for student enrichment, and the St. Charles Food Pantry, which feeds many Westhill families. The committee may consider other ways to support the district as well.

Come Run With Us!

Please consider entering a corporate team to participate as runners, walkers, and/or volunteers. Your group registrations enhance PWP beyond your monetary donation. Participants notice your involvement and your commitment to our community.

Please review the attached sponsorship form to find the right amount for you. Our event is an affiliate member of the RRCA (Road Runners Club of America). We are a 501(c)3 nonprofit organization through the RRCA, EIN# 47-1859906, and contributions are tax deductible.
